# Feeling Unrepresented? That's Because You Are!

5:30 pm PT, 6:30 MT, 7:30 CT, 8:30 ET, **Wed, April 2, 2025**

Proportional Representation is an electoral system that fairly allocates legislative seats based on how we the people actually vote. Voters elect representatives to fill multi-seat districts. It makes room for more parties and more viewpoints by awarding seats even to candidates who receive a minority of votes. So, if Greens get 17% of the vote, they would get 17% of the seats. Come learn how PR works and how to make it happen. No more duopoly! No more winner-take-all! Let's create a government that works to empower all of us, not just the financially-selected few.
